## Summary

Versatile Flutter Developer with strong expertise in mobile and web development, specializing in creating responsive cross-platform applications. Proven track record in developing AI-integrated solutions and optimizing application performance. Experience in architectural design and implementation of user-friendly interfaces. Fluent in German (B2 level) with a passion for collaborative development and maintaining scalable codebases.

## Technical Skills

**Mobile Development** - Flutter, Dart, Mobile UI/UX Design, Cross-platform Development

**Frontend** - React Native, React.js, Vue.js

**Testing** - Unit Testing, Integration Testing, Test-Driven Development

**Tools** - Git, RESTful APIs, Firebase, CI/CD

**Cloud & DevOps** - AWS, Azure, Docker

## Experience

### Circleup AG

Senior Mobile Developer

December 2023 – July 2024

Zurich, Switzerland

#### Responsibilities:

- Led the development of cross-platform mobile applications using Flutter and Dart, implementing complex UI components and ensuring optimal performance across iOS and Android platforms.
- Architected and implemented real-time data synchronization features for AI-driven services, achieving 40% improvement in app performance and 99% crash-free sessions.

**Environment:** Flutter, Dart, Firebase, RESTful APIs, Unit Testing

### Cedzlabs

Mobile Application Developer

March 2023 – July 2024

Germany

#### Responsibilities:

- Developed and maintained cross-platform applications using Flutter, implementing comprehensive testing strategies and collaborating with design teams to create intuitive user interfaces.

**Environment:** Flutter, Dart, Material Design, Git, Integration Testing

View additional experience on LinkedIn

## Projects

### Customer Feedback Analytics App | Flutter, Dart, AI Integration

2023

#### Description:

- Engineered a Flutter-based mobile application for analyzing customer feedback using AI algorithms. Implemented real-time data visualization, offline functionality, and seamless backend integration. Achieved significant performance optimization through efficient state management and caching strategies.

**Tools:** Flutter, Dart, Firebase, Unit Testing, Provider State Management

### Cross-platform Portfolio App | Flutter, AWS

2023

#### Description:

- Developed a feature-rich portfolio application using Flutter, showcasing expertise in custom animations, state management, and responsive design. Implemented comprehensive testing suite and automated deployment pipeline.

**Tools:** Flutter, Dart, AWS, Integration Testing

## Achievements / Extracurricular / Contributions

- Advanced Flutter Development Certification from Google
- Regular contributor to Flutter open-source projects and community forums
- Published technical articles on Flutter best practices and performance optimization

**Strengths:** Mobile Architecture Design, Cross-platform Development, Problem-solving, Team Collaboration

**Languages:** German - B2 | English - Fluent | Telugu - Native | Hindi - Fluent | Swedish - Elementary
